

## **DIRECTIONS TO GREY'S COURT**

**From London and the A11, head for Swaffham on the A1065.**

**From Norwich take the A1067.**

**From King's Lynn take the A148 Cromer road.**

From the A148 Fakenham bypass, follow signs for the B1105 to Wells-next-the-Sea. Very shortly after turning off the bypass the B1105 turns off to the left at a small staggered crossroad. This has a signpost to Wells and also Holkham.

(If you pass a white cottage on the left you have gone too far. If you come to the church and pub you have gone much too far!)

After about a mile you will see pale blue field gates on either side, then as the road rises there is a crossroads and a sign to 'The Barshams' to the right. Turn right here and carry on down the hill. Continue past farm buildings on right, through woods and wind along the valley until you pass a row of terrace cottages on the left.

Drive down past barn on right into the loosebox yard and then turn right into central courtyard. You will find Grey's Court on the left, where you may park on the shingle in the bays on either side of the front door. You might like to bring a torch with you as there are no street lights and the lights in the courtyard are limited! You will need one to see the keypad on the door.

Hope you have a safe journey!

### **Address:**

Lower Farm Barns

Green Way

North Barsham

Walsingham

Norfolk

NR22 6AP
